I have been separated from the college for five (5) years or more from:

 Term/Year Term/Year

I am currently enrolled at Virginia Peninsula Community College for the present term; and

I have earned a 2.5 or above grade point average for the first twelve (12) college-level credits completed after re-enrolling from a five-year separation. A 2.5 GPA must be achieved based upon a calculation of all courses and attempts within the qualifying period of re-enrollment.

I understand that in receiving an Academic Renewal adjustment to my cumulative GPA:

- An Academic Renewal adjustment may be only granted once;
- Once granted by the college, Academic Renewal cannot be revoked;
- Although my cumulative GPA and cumulative credit hours earned will be adjusted in future terms, all of my previously earned grades will still be shown on my permanent record;
- I will receive credit toward a degree only for courses in which a grade of "C" or better were earned prior to academic renewal, providing that such courses meet curriculum requirements;
- An Academic Renewal notation will be placed on my permanent record; and
- The granting of Academic Renewal does not affect any previous academic, financial, or administrative determination made by the college.
