Where have you lived for the past two years, provide address(es)?

You have been admitted as a student at Virginia Peninsula Community College; however, based on the information received, your tuition status is classified as "OUT-OF-STATE". Domicile must be established for at least 1 year (365 days) prior to the first day of the semester for which you intend to enroll. The evidence is the student's responsibility and must justify the claim both clearly and convincingly. **Supporting documentation is presented for the person whom the domicile is based on.**

For in-state tuition consideration, the following checked document(s) must be submitted to Enrollment Management no later than the below dates:

August 1 for fall semester

December 1 for spring semester

April 1 for summer semester

Additional documentation may be required after initial review by admission personnel. You must return this form with all the documentation requested to the campus at which you initiated the application for in-state tuition. If your appeal application for In-State tuition is denied at Level I, you may appeal the decision using the Level II Reclassification appeal form.
